

Product Highlights

Sharp Cheddar Cheese Concentrate Clean Label

Ingreditec has recently developed RD03620_200 Sharp Cheddar Cheese Concentrate, a clean label ingredient in paste form, designed to deliver a rich, authentic cheddar profile across a wide range of applications. It works well in sauces, soups, dips, dressings, fillings, appetizers, and spreads. With a soft, easy to handle consistency, it disperses readily into food manufacturing systems without the need for pre grinding, mixing, or tempering.

Nat. Lavender Flavor WONF

FLVRtec's Natural Lavender Flavor is a high compound liquid flavor that delivers a true to type, delicate lavender profile across a wide range of applications. Available in both oil soluble and water soluble versions, it offers excellent versatility in formulation. With a low usage rate of just 0.1 - 0.3%, it provides consistent floral character while remaining highly efficient in use. Its light, aromatic profile makes it especially well suited for fresh, spring inspired applications.

THE DC BLOG

Demo Highlights

Lemon Flavored Poppy Seed Dressing

This light, creamy, sweet dressing highlights how our products enhance dairy flavor, improve mouthfeel, and brighten the lemon notes. It also increases efficiency by eliminating the need for yogurt while still delivering a rich, creamy texture. Ideal for the spring season. This demo showcases both flavor impact and formulation benefits.

Featuring:

- DairyChem RD01369 Yogurt Flavored Dressing Base
- DairyChem 1200 Encapsulated Starter Distillate 4X
- FLVRtec 9001 Natural lemon Flavor WONF, Oil Soluble

Corn Elote Style Soup

This elote style corn soup demonstrates how our products deliver bold, authentic flavor while reducing or eliminating cotija cheese. They enhance the creamy base and amplify the bright notes of mayonnaise and lime, creating a richer, more vibrant flavor profile.

Featuring:

- DairyChem RD03419_102 Cream Soup Base
- DairyChem 1715 Cotija Cheese Type Flavor
- FLVRtec 9020 Mayonnaise Type Flavor
- FLVRtec RD02937 Nat. Lime Type Flavor WONF (Oil Soluble)
